Friday, August 6

7:00 PM Children's Program: Butterflies

Join Ranger Lee for an educational children's activity. Learn fun and interesting things about butterflies and then make one to take home. **Kettle Falls** amphitheater. 30 min.

Saturday, August 7

7:00 PM Children's Program: How Does a River Work?

Want to create your own model river? Join Ranger Kerine for a fun look at rivers and how they influence the landscape, animals, and our lives. Meet her at the **Kettle Falls** Amphitheater. 45 minutes.

9:00 PM The How and the Now of the Missoula Floods

Etched in the landscape and archived in sedimentary layers are the effects of the colossal Ice Age Floods. Though geologists estimate these dynamic events took places 12,000-15,000 years ago, the processes involved still occur today and the destruction left in their wakes still affects our lives. All are welcome to join Ranger Kerine for a unique look into the cataclysmic Missoula Floods. Meet her at the **Kettle Falls** Amphitheater. 45 minutes.
